HOW TO MEASURE YOUR WAIST

Measure around the waist at the natural waistline (smallest part of the torso). In younger children this is usually midway between the bottom rib and hip bone.

INSIDE LEG LENGTH

When measuring make sure you are stood up straight with shoes on. Measure from the top of the inside leg at the crotch down to where you want the trouser to finish. This is usually 1" from the ground.

Download your very own print at home measuring tape here.
